Tammy, Francie &/or Mary:

Commission Staff received a public comment regarding ONG's general rate increase filing (Cause No. PUD 200900110) last Friday, 06/26/09. Please add the below comment to the public comment file. Thank you.

Respectfully,

Don

To Whom It May Concern,

After reading that ONG wants to increase the cost for home delivery, which is a subsequent \$60.00 a year addition to the already high cost of heating our home, I would like to comment that it should be a resounding NO to the increase at this time. Certainly, an increase should be needed in the distant future after the economy recovers. Give us and other ONG customers a break until then, please.

Gary D. Housley
