Comments:

Please do NOT allow ONG a rate hike. They're asking for a rate increase when so many people have taken a salary decrease, and when so many have lost their jobs, and are without income. The American Clean Air Act just passed in the House, and if it passes in the Senate, it will cause the price everything in America to go up. Please do not increase the burden of an additional increase to our already stressed ability to make ends meet. ONG has proved insensitive to its customers to ask for an increase at such a time when everyone is already in dire circumstances.

Sincerely yours,

Forrest & Jean Towry

Dear Mr. Palmer,

I'm not sure if the rate increase proposed by ONG has been approved yet, but if it hasn't I would like to voice my disapproval. With so many people out of work and struggling to make ends meet, now is not the time to consider such an increase.

Thank you,
Sandy Rankin
