MOTION TO ESTABLISH PROCEDURAL SCHEDULE

COMES NOW, David B. Dykeman, Director of the Public Utility Division of the Oklahoma Corporation Commission ("Staff"), by and through the undersigned counsel, to respectfully request that the Oklahoma Corporation Commission ("Commission") enter an Order Prescribing Procedural Schedule in this cause, and further states:

On May 11, 2009, Oklahoma Natural Gas Company, a Division of ONEOK, Inc., ("ONG" or "Company") filed with the Commission its Notice of Intent under OAC 165:70-3-7 giving notice to the Commission of the Company's intent to file an Application seeking to implement a plan which would modify the rates and charges for ONG's Oklahoma jurisdiction customers.

On June 26, 2009, ONG filed its Application referenced immediately above.

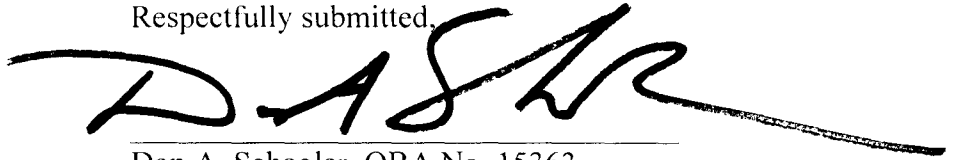

On July 20, 2009, Staff filed its Response regarding the Company's filed Application and supporting documents indicating that ONG was in substantial compliance with the minimum filing requirements for Class A or B utilities set forth in OAC 165:70.

It is Staff's opinion that an Order Prescribing Procedural Schedule is necessary for the orderly processing of this cause.

WHEREFORE, Staff respectfully requests that the Commission consider Staff's Motion for Procedural Schedule and issue an Order Prescribing Procedural Schedule for the prompt, orderly, and considered disposition of this cause.

Dated: July 31, 2009.

Respectfully submitted,
