an Administrative Law Judge in Courtroom 301, 3rd Floor, Jim Thorpe Building, 2101 North Lincoln Boulevard, Oklahoma City, Oklahoma, commencing at 9:30 a.m. on the 9th day of November, 2009 and continuing daily until complete. Interested persons may appear at the hearing and make public comment if they so desire. NOTICE IS FURTHER GIVEN that the Application requests the following relief:

1. A net increase of \$37.6 million in Oklahoma Natural's base rates. 2. Implementation of the Commission authorized Tariff 1201, Performance Based Rate Change Plan and the effect of this implementation on existing riders;
3. Continuation and improvements to the Customer Choice rate design for residential customers and those commercial and industrial customers who continue to purchase gas from the Company; and
4. Modifications and/or additions to miscellaneous service charges if the increase in base revenues requested in the Application is approved by the Commission, the impact on Oklahoma Natural's customers would be as follows:
 - * An average residential customer would experience a rate increase of \$4.92 per month; and
 - * An average commercial/industrial sales customer would experience a rate increase of approximately \$4.25 per month.
