General Counsel - note ~~no~~ ~~to~~ ~~an~~ ~~late~~ ~~increase~~
on Nov. 4 we have seen ~~no~~ ~~increase~~ in performance,

- 2) the cost of shipping + supplying has gone down, and
- 3) the company wants the increase to pay for the plant that blew up earlier this year. Cost for rebuilding should come out of their pocket, not ours - their carelessness cost them not ~~us~~ - I won't pay for their mistake.

General Counsel - vote "NO" on
Rate increase on Nov. 9th.

The main reason - I don't
think we should pay for the
plant they accidentally blew up
earlier this year. The money they
received from the insurance company
should have been enough; if not, let them
pay for the rebuild out of their own pocket,
NOT mine. OR simply make do, like we
ARE.

Dear Corp. Commission,

Please do NOT increase
ONG rate. We as their
customers are hurting
economically. They should
NOT profit at our expense.
They should cut their
costs as we citizens have
had to do. It will work
a real hardship on us
to increase our gas rates.
ONG should be grateful for
what they have.

Sincerely,
Marlene J. Ferguson
