(OVER)
I, ____________________________ (SURFACE OWNER), hereby give permission to (OPERATOR) or his agent to place crude oil storage tanks, in accordance with the regulations of the Oklahoma Corporation Commission, at the site designated on the front/first page, the site of which I have legal ownership.

Signature ____________________________  Print Name ____________________________  Date ____________________________

Operator of Crude Oil Storage Tank Site and Owner of Crude Oil:

1. OAC 165:10-3-29.1 Crude oil storage tanks not located on producing oil and gas leases

2. Storage tanks on the site shall contain crude oil only and shall not contain any refined oils such as motor oils, lubricants, compressor oils or hydraulic fluids.

3. No storage tank shall be placed on any site that is located within a 100 year flood plain or as is otherwise prohibited by law.

4. Additional requirements. The requirements set forth in OAC 165:10-3-29.1 are minimum requirements. Additional requirements may be imposed if the site has certain limitations or other conditions of risk exist. Sites containing crude oil storage tanks must comply with applicable requirements of other governmental entities, including, but not limited to, the Environmental Protection Agency and the Oklahoma Department of Environmental Quality.

5. FAILURE TO COMPLY WITH THE TERMS OF THIS PERMIT AND/OR APPLICABLE RULES SHALL RESULT IN REVOCATION OF THIS PERMIT.

For OCC use only

OCC Additional requirements:

This Application for Permit for Storage of Crude Oil in Tanks Not Located on Producing Oil and Gas Leases has been

[ ] APPROVED

[ ] DISAPPROVED

Permit No. ____________________________  Expiration Date ____________________________  OCC Representative ____________________________  Date ____________________________
